INDIANA STATE LAW CONCERNING USE OF PARTY LINES IN CASE OF EMERGENCY

A Statute enacted by the 1955 Indiana Legislature makes it unlawful to misuse party line telephone service in cases of emergency. An emergency is defined in the law as "a situation in which property or human life is in jeopardy and the prompt summoning of aid is essential." The law, in part, reads as follows:

Section 2. It shall be unlawful for any person using a telephone on a party-line to refuse to yield such party-line, when requested to do so, to any person who wishes to place an emergency call from a telephone on such party-line. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

Section 3. It shall be unlawful for any person to obtain the use of a telephone on a party-line by falsely alleging the existence of an emergency. Any person who violates the provisions of this section shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not exceeding twenty-five dollars to which may be added imprisonment in the county jail for any period not exceeding ten days.

Long Distance Calls

DIRECT DISTANCE DIALING

All telephones except coin can dial station-to-station calls to most places in the United States and Canada. See page 3.

WHEN PLACING CALLS WITH THE OPERATOR

Please tell her:

1. Special instructions, if any (collect, person-to-person, credit card, etc.)
2. Area Code if it is different from the Area Code of the phone you're using.
3. Telephone number you're calling.
4. Your number, when the Operator requests it.

TYPES OF CALLS

STATION-TO-STATION (Dial Direct)
Rates are lower than person-to-person. Charging begins when you are connected to the telephone number you called.

PERSON-TO-PERSON (Dial Operator)
Call person-to-person if you want to talk with a particular person, or a particular extension, department or office served by a switchboard. Charging begins when you are connected with the person, extension, department or office you called. Rates are higher than station-to-station.

COLLECT (Dial Operator)
Most calls can be made "collect" if the person you are calling agrees to pay the charge. If you want the call made collect, please be sure to tell the Operator when you give her the call. For station-to-station calls within Indiana, placed collect, an additional 20 cents is charged.

CONFERENCE (Dial Operator)
You can talk with several people in different places at the same time. If you wish to do this, tell the Operator you want to make a conference call.

OVERSEAS (Dial Operator)
To place calls or to obtain the rates for overseas calls, dial Operator and ask to be connected with the Overseas Operator handling calls to the desired ship or country.

About Our Cover

On our front cover is a full-color reproduction of the painting that won first prize in our 1967 directory art contest for 9th, 10th, 11th and 12th grade students in all Lake County schools.

Titled "Winter and Telephone Poles," it was painted by Domingo Rositas, a student at Hammond Technical and Vocational High School.

Second prize was awarded to Denise Drag, Wirt High School, Gary, and third prize to Mark Hill, Munster High School.

Joyce Stuppy, Lowell High School, received the Best of School award.

The competition was conducted with the support and cooperation of the Gary Artists League and the Northern Indiana Art Salon Patrons Association, which we gratefully acknowledge.

We sponsored this contest because of our interest in the continued cultural growth of the communities we serve. We hope its awards and recognition will encourage young artists, promote art education and stimulate increased general interest in art.

Direct Distance Dialing

For station-to-station calls from all phones except coin
For other types of long distance calls dial Operator

TO CALL WITHIN AREA 219 (Outside Your Toll-Free Calling Area)

Dial "1," first, then the telephone number. Do not dial the Area Code.

		Access Code		Telephone Number
Example:	*dial*	1	*then*	555-2368

TO CALL OUTSIDE AREA 219

Dial "1," first, then the distant Area Code and Telephone Number.

		Access Code		Area Code		Telephone Number
Example:	*dial*	1	*then*	311	*then*	555-2368

Exception: To call Lafayette, Ind., dial Operator.

TO OBTAIN THE DISTANT AREA CODE

A list of Area Codes for many communities is shown on pages 5 - 6. If the called place is not listed, dial Operator and ask her for the Area Code.

LONG DISTANCE INFORMATION

You can dial Information Operators serving many distant places without charge.

Dial "1," first, then the Area Code (when different from yours), then 555-1212. When the Information Operator answers, first give her the city or town, then the name and address you are calling.
Exception—For Calumet Region, Chicago and suburbs information, dial 411.

GIVE OPERATOR YOUR NUMBER WHEN SHE ASKS FOR IT

From some phones, a special Operator will ask for your telephone number after you have dialed your call.

IF YOU REACH A WRONG NUMBER

Dial Operator immediately and tell her what happened so you will not be billed for the call.

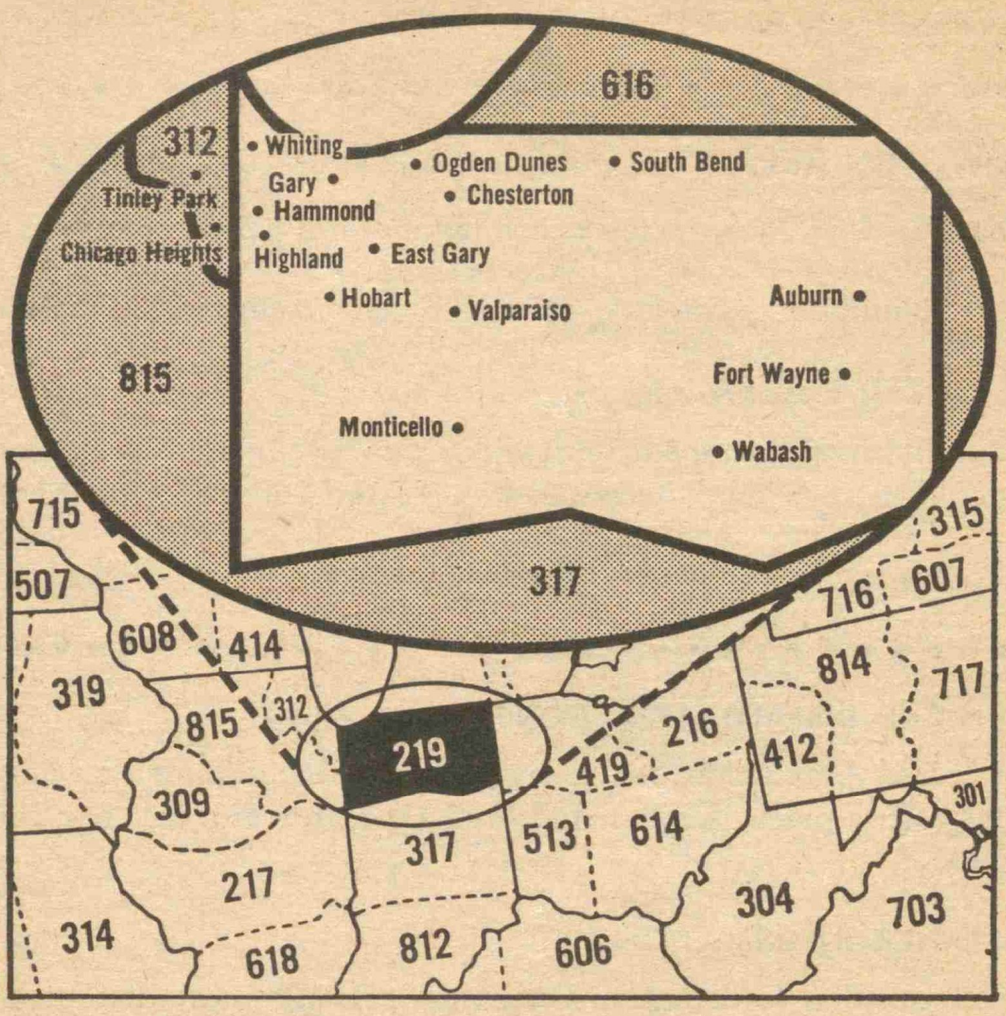
YOU WILL NOT BE CHARGED

- If you hang up before you dial the complete telephone number.
- If the telephone you dial is busy or does not answer.
- If you call Information in a distant city.

IF YOU NEED ASSISTANCE, DIAL OPERATOR

She will be glad to help you.

Area Codes speed your long distance calls



For faster long distance calling the United States and Canada are divided into more than 120 telephone areas, each identified by a three-digit Area Code. Indiana is divided into three numbering plan areas. **Your Area Code is 219** (see map).

Dial "1," first, then the distant Area Code when different from yours. Do not dial the Area Code when it is the same.

Even on calls you must place with the Operator, the Area Code will help you get them through faster. Just give her the Area Code (when different from yours) and the telephone number you want. For example, say "Area Code 311, 555-2368."

A list of Area Codes for many communities is shown on pages 5-6. If you want the Area Code for a place not listed, dial Operator and ask her for the Area Code.

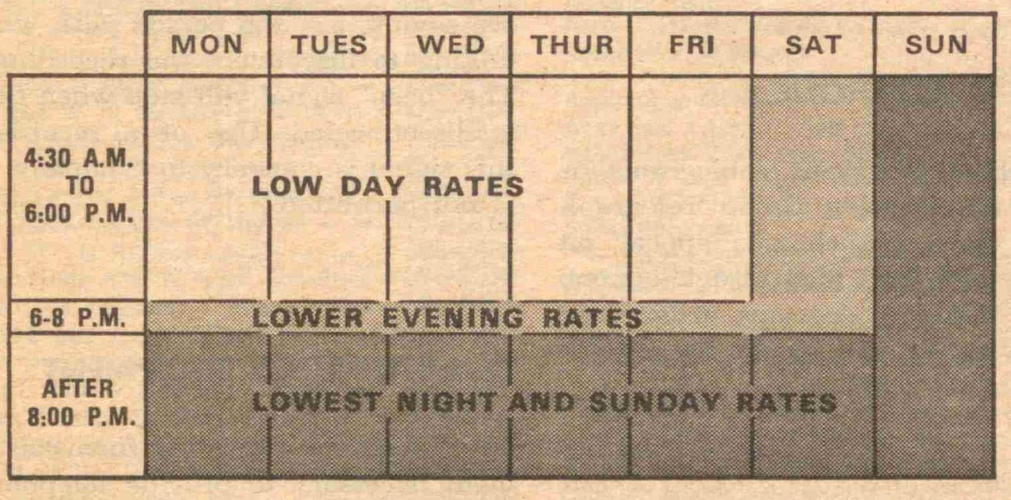
For three holidays only—Thanksgiving, Christmas, New Year's Day—lower rates are in effect from 4:30 a.m. to 6 p.m. for most long distance calls. (For calls to Alaska and Hawaii, lower rates apply only on Christmas and New Year's Day.) For all other holidays, the rates in effect are those for that day of the week. Ask your Operator for the rate for the city you wish to call.

MORE TIME FOR BARGAIN CALLS

(Station-to-Station)



Night rates for station-to-station calls are now in effect all day Sunday and on weekdays starting at 8 p.m.

Evening rates for station-to-station calls now apply all day Saturday to 8 p.m., when night rates start. Monday through Friday, evening rates are in effect from 6 p.m. to 8 p.m.

Helpful Information

ANNOYANCE PHONE CALLS

The Telephone Company is concerned about obscene and harassing calls and is trying to stop them. You don't have to talk or listen to such calls - just hang up.

If the calls persist, call your Service Representative at the Telephone Business Office. The Company wants to preserve your right to privacy.

TELEPHONE NUMBER ON STATIONERY

It's smart to make it easy for people to reach you. So why not include your telephone number on your stationery, statements and all advertising pieces? Show your Area Code, too —it helps distant parties call you faster. *For example:*

Area Code 311
Telephone 555-2368

TELEGRAMS BY TELEPHONE

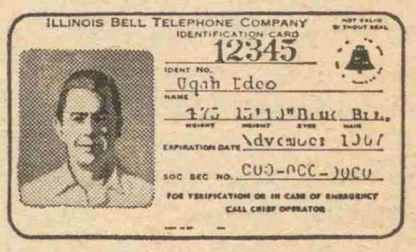
You may telephone telegrams, cablegrams, or radiograms to the Western Union Telegraph Company and have the charges appear on your telephone bill. You may also telephone your Western Union telegrams from coin telephones, paying as you would for a telephone call.

DIRECTORIES— FOR OTHER CITIES

Need a directory for some other city you call frequently? Just call your Service Representative at your Telephone Business Office.

EMPLOYEE IDENTIFICATION CARDS

For your protection, any employee who visits customer premises carries an official identification card showing his or her name, photograph and signature. If you have the slightest doubt about anyone who says he's "from the Telephone Company," ask to see his card.



RECORDED TELEPHONE CONVERSATIONS *("Beep" tone)*

If you hear a "beep" tone at fifteen-second intervals, your telephone conversation is being recorded by the person you are talking to. This signal is transmitted automatically whenever a recording machine is connected to the line. It is for your protection.

If you do not want a record made of what you are saying, ask the person with whom you're talking to disconnect the recording machine. The "beep" signal will stop when the recorder is disconnected. Use of a recorder without this signal is contrary to Company tariffs and is not permitted.

UNAUTHORIZED EQUIPMENT

The Telephone Company furnishes all equipment necessary to provide telephone service. In the interests of safety and good service, no equipment, apparatus or device not furnished by the Telephone Company may be attached to, or used or connected with, its facilities, except as provided in the Company's tariffs.

For

Pleasant Telephone Contacts

Speak slowly and distinctly

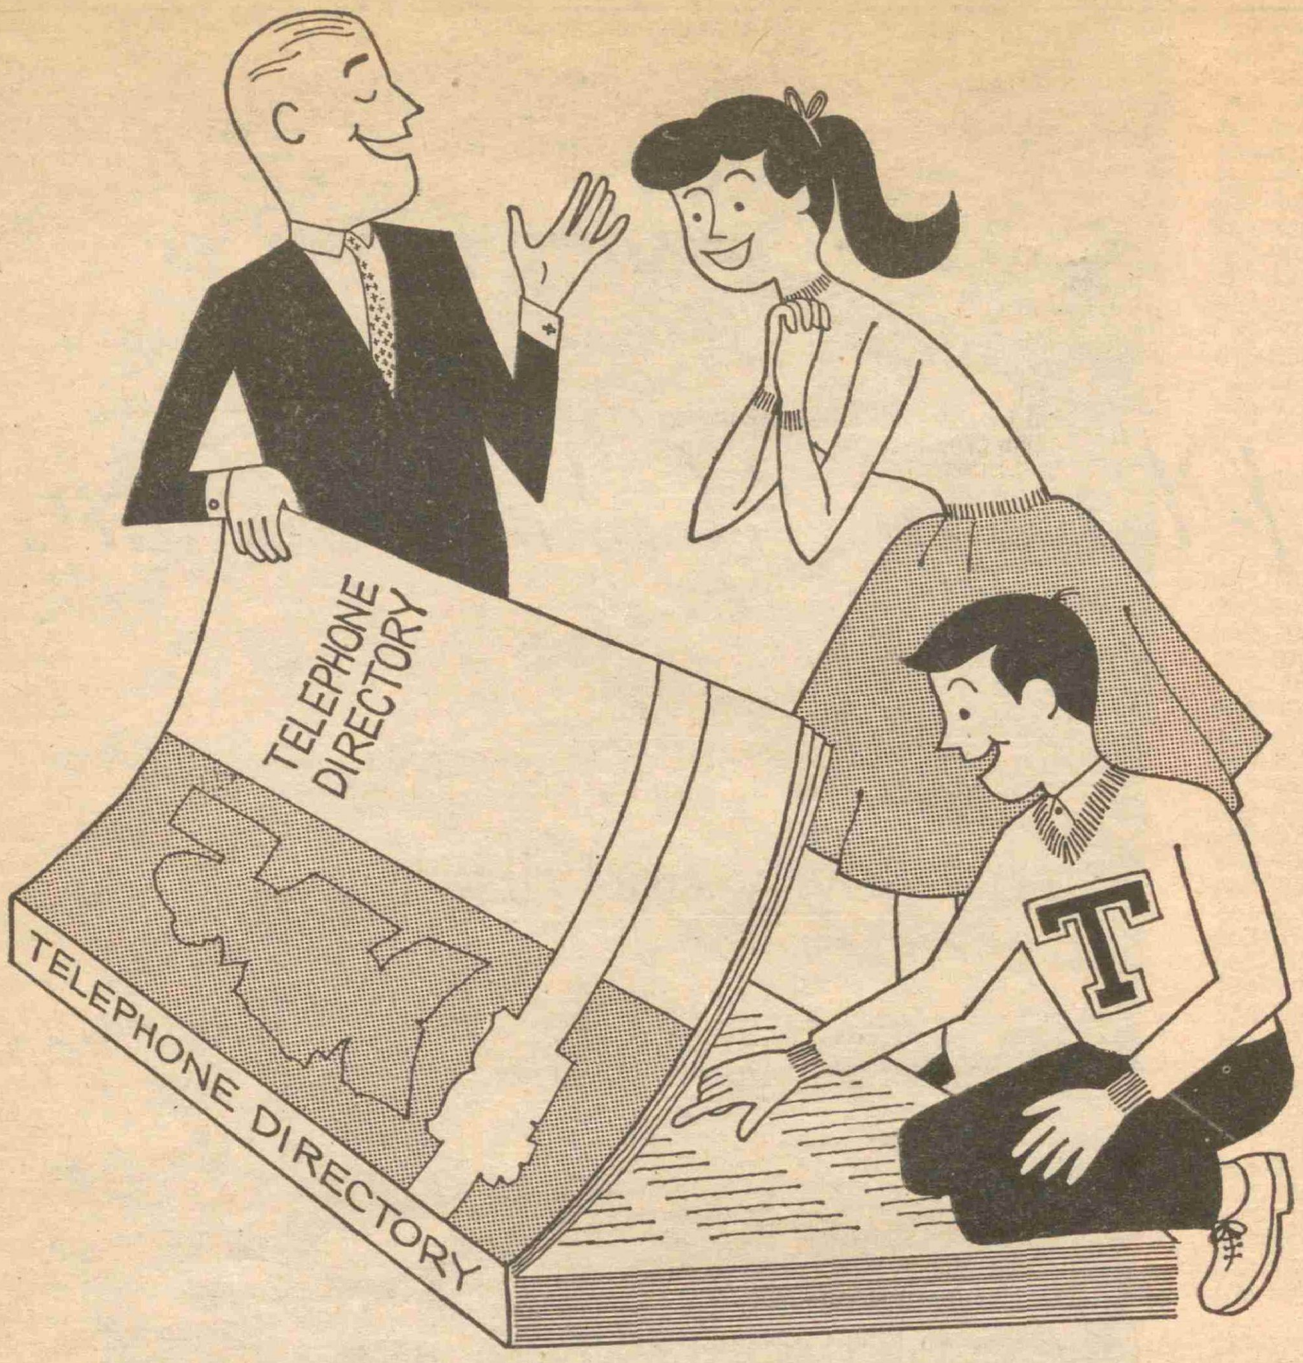
into your transmitter

Use a pleasant expressive

tone of voice

Remember — over the telephone

your voice is <u>you</u>



Ask now about telephone directory listings for <u>each</u> member of your family

Makes all kinds of sense to list your family *completely* in the new telephone directory?

Grandparents, other relatives living with you, teen-agers . . . all rate *personal* listings. (Remember the thrill you got when you first saw your own name there?)

Multiple listings make it easy for callers to find the telephone number of *all* the folks in your household, end the inconvenience of "lost" calls. And the cost is small.

ILLINOIS BELL TELEPHONE

To arrange for this telephone "plus," just call your Service Representative at the telephone office.

The physicist studying a laser's coherent light?
The installer checking new equipment in a telephone office?
The communications consultant about to consult with a businessman on the use of a new communications system?

WHICH IS THE TELEPHONE MAN?

THEY ALL ARE!

The physicist is a researcher at world-famed Bell Telephone Laboratories.

The installer is from Western Electric Company, which manufactures and installs the telephone switching equipment that handles your calls.

The communications consultant, knowledgeable in all aspects of modern communications, works for Illinois Bell.

These three men, from Illinois Bell, Western Electric and Bell Telephone Laboratories, symbolize the nation-wide Bell System team . . . working together to bring you top-notch telephone service today, and even better service tomorrow.
